

Welcome to your new Nelson Bus and Rail Interchange

The new interchange provides a combined bus and rail interchange. The new facility is designed to provide a more pleasant environment for passengers and features:

- Enclosed passenger concourse leading to 10 bus stands
- Direct Link to the rail station including passenger lift
- Travel Information Centre
- Manager's helpdesk on concourse
- Toilet facilities – including disabled toilet and baby changing facilities
- Electronic Information displays
- Comprehensive CCTV coverage
- Cycle stands
- Taxi and car drop-off facilities

The interchange will be manned from first to last bus and train departure. Particular attention has been given to providing enhanced safety and security for passengers using the interchange.

Opening of the New Interchange

The new interchange opens on Sunday 7th December 2008.

The last day of operation from the old bus station will be on Saturday 6th December 2008.

There will be an opportunity to preview the new bus and rail interchange on Saturday 6th December 2008 between 1000 and 1500hrs.

Funding of the new Interchange

The new flagship project has been funded by Lancashire County Council in partnership with Pendle Borough Council. The Pendle Partnership has provided £1M through North West Development Agency funding.

The £4.5M project has been designed by SBS Architects and constructed by Carefoot plc.

Aims of the new interchange

- To provide good access by both bus and train to Nelson Town Centre
- To create good interchange between bus, train, taxi and cyclist
- To provide a passenger interchange that people wish to use
- To provide a key flagship site for Nelson town centre
